ST. LOUIS SCHOOL

Circular No. 051 (24-25)

16th September, 2024

Dear Parents/Guardians,

Re: S5 Chemistry Remedial Course 2024-2025

In order to help students catch up with their work and prepare for their examination, remedial lessons will be organized for S5 students. Our target students are those who did not obtain satisfactory S4 final examination results in Chemistry. Each student will attend 5 remedial lessons in the first school term. In these 5 lessons, your child will be given a useful learning package cost at $830. He could watch the well prepared explanatory videos of the learning package at his own pace by using iPads with his own wireless ***Bluetooth earphones***. Then they are required to complete the given task and submit it to the online learning and assessment platform for tutor's marking in each lesson and the inspection of his subject teacher after each lesson.

We hope that by providing them with such extra learning opportunities, they can establish a stronger foundation in their study. As this is a program especially provided for them to attain better results of DSE Chemistry under additional resource, we strongly recommend that your child must attend all the lessons. We will also contact you each time if your child is absent from the course without prior notice and acceptable reasons. Your child may also be charged for the learning package if he fails to achieve 80% attendance.

Duration:	**23 Oct – 20 Nov 2024 (Every *Wednesday*)** **[23 & 30 Oct and 6, 13 & 20 Nov]**
Time:	**3:35 p.m. – 4:55 p.m.**
Venue:	**Room A201a (Discussion room in school library)**
Teacher–in–charge:	Mr. LAI Hon Fai
Fee:	Free of charge (if achieve 80% attendance)
