

ST. LOUIS SCHOOL

Circular No. 175 (16-17)

8th February 2017

Dear Parents/Guardians,

Re: English Public Speaking Contest 2017

I am writing to inform you that The English Public Speaking Contest 2017 is now open for application. We would highly recommend your son to join this competition for the following reasons:

1. Competitors receive support from the organizer and are not left to their own devices. As you may find out from the website below, there are free workshops conducted by experienced public speakers and the workshops aim at empowering competitors, especially those novices.
2. The competition is non-threatening. During the competition, there will be no audience watching the competitors. There will just be 2 adjudicators, who will give constructive feedback in return to reward those hardworking competitors.
3. The competition is definitely an eye-opening experience for competitors. All competitors will be invited to join the prize-presentation ceremony where winning contestants will give their speeches. I am sure your son needs this exposure in order to make a stronger grade in school and the future.
4. Competitors are allowed to speak on any topics they are interested in. This gives them an opportunity to put their knowledge of the world to use.
5. Speaking is an individual paper in the HKDSE, which accounts for 30% of the subject weighting.
6. Results in the competition will be recorded in the personal profile at St Louis School.

The above reasons are not exhaustive, but they do point to one fact: your son needs all the exposure he can access in order to strengthen his skills and confidence.

Please note the following for details of the competition:

1. The event is self-financed. Application fee is \$ 60.
2. For more information: <http://L21.hkfyg.org.hk/eps/application/form>
3. Fill in the application form and make a cheque payable to **THE HONG KONG FEDERATION OF YOUTH GROUPS.**
4. Return the form and cheque to your son's English teacher before 14th February 2017 (Tuesday) if he wishes to join the competition. **Alternatively, your son can mail the form and cheque to the Federation directly.**

(Mr. Cheung Wing Wah)
for the Principal

CONTEST 比賽章程
