**ST. LOUIS SCHOOL**
Circular No. 180a (16-17)

10th February, 2017

Dear Parents/Guardians,

**Re: S4 Biology Remedial Course 2016-2017**

In order to help students catch up with their work and prepare for their examination, remedial lessons will be organized for S4 students. Our target students are those who did not obtain satisfactory academic results in Biology in the S4 Mid-year examination. Each student will attend 5 remedial lessons in the second school term. We hope that by providing them with extra opportunities, they can establish a stronger foundation in their studies. This is an activity especially provided for them and we strongly recommend that they attend all the lessons.
