Dear Parents/Guardians,

Re: S4 Chemistry Remedial Course 2016-2017 (2nd stage)

In order to help students catch up with their work and to prepare for their examination, remedial lessons will be organized for S4 students. Our target students are those who did not obtain satisfactory S4 Mid-year examination result in Chemistry. Each student will attend 5 remedial lessons in this school term. We hope that by providing them with some extra opportunities, they can establish a stronger foundation in their study. This is an activity especially provided for them and we strongly recommend that they attend all the lessons.
