

27<sup>th</sup> March, 2017

Dear Parents/Guardians,

## Re: Mobile Apps Making Workshop

This is to inform you that your son has expressed interest in participating the Mobile Apps Making Workshop organized by Computer Subjects Panel of St. Louis School. The workshop will last for 9 hours. It can let your son learn the fundamental skills and logic in making mobile apps. The platform used in the workshop is MIT Apps inventor. Your son need to bring along his own android smartphone to attend the workshop for testing the apps created.
