

## ST. LOUIS SCHOOL

Circular No. 11 (17-18)

1<sup>st</sup> September, 2017

Dear Parents/Guardians,

### **Re: S1 English Enhancement Programme**

We are delighted to welcome your child to our big family!

St. Louis School is a traditional English-medium Catholic boys' school run by Society of St. Francis de Sales. To optimise our students' exposure to English Language, the school is committed to tapping additional resources so as to create a conducive environment for English Language learning. To this end, we are going to organise an after-school English Enhancement Programme for all S1 students.

This programme serves the purpose of helping your child fortify a solid foundation of English Language through offering practices to prepare them to sit for a recognised English proficiency test called "Preliminary English Test (PET)" to be held on **21<sup>st</sup> April, 2018 (Saturday)** in our school. It is a Cambridge English test designed for students attaining an intermediate level of English.

Details of the programme are given below:

Class	Venue	Day	Programme duration	Time	Person-in-charge

Your child's attendance to this after-school programme is compulsory and the results he obtains in the after-school assessments will be shown on the school report card issued in July.

Application for the PET is voluntary and the results candidates obtain in the actual PET will not be counted towards the school results. That said, we strongly encourage your child to take the test and get an internationally-recognised qualification. Sample papers can be previewed and downloaded from British Council's website:
