Dear Parents/Guardians,

Re: S4-6 Information Day of Local Universities

With schools reopen in September, it's high time for local universities to schedule their respective Information Days so as to provide senior secondary students and parents with appropriate information for JUPAS applications.

This is a very good opportunity for S4-6 secondary school students and parents to obtain the first-hand information about local universities, courses they offered and admission requirements. Don't miss the chance as we are sure that you can get more idea when the time you plan for the selection of JUPAS programmes. Details are as follows:

The Hong Kong University of Science & Technology (HKUST)	23/09/2017 (Sat)
The Hong Kong Polytechnic University (PolyU)	30/09/2017 (Sat)
