

ST. LOUIS SCHOOL
Circular No. 47 (17-18)

13th September, 2017

Dear Parents/Guardians,

Re: Information collection of the NCS students

In order to better refine the teaching and learning process for Non-Chinese Speaking (NCS) students in learning Chinese Language, the EDB has requested schools to collect some basic information of the NCS students.

To cater for the learning diversity of NCS students, our school has offered two Chinese language curriculums for the NCS students to choose, please refer to the attached document to know more details about the curriculum.

As only NCS students could take the Chinese as a Second Language curriculum, we want the parent/guardian to declare clearly whether your child/ward is a NCS student and whether he would take the Chinese Language / Chinese as a Second Language curriculum.

Further enquiry can be directed to Ms Liu Ting Chi or Mr Wong Tsz Yin Kevin. Thank you for your attention. Please return the completed attached document to Mr Wong on or before 22nd September, 2017 (Friday).
