

ST. LOUIS SCHOOL
Circular No. 76 (17-18)

6th October, 2016

Dear Parents/Guardians of S.1 – S.3 students,

Re: Overdue Homework Measure

To stress the importance of doing homework properly, which is an essential duty of a student and a core process for the consolidation of what have been learnt, alert messages for those who could not submit their homework on time are going to be sent as reminders immediately.

Every day after school, parents could check their children's assigned homework by logging into eClass with parent accounts so that they may remind their children to finish and submit their homework on time. If any homework was not submitted on the day, an SMS would be sent to the parent as a reminder. An example of the SMS is shown below.

貴子弟陳篤學未能準時遞交數學科功課，請敦促 貴子弟盡快補交功課。

This is to inform you that your child, Chan Louis, has not submitted the mathematics homework on time today. Please kindly remind your child to submit the overdue homework.

The success of this homework reminder measure hinges on the cooperation between teachers, parents and students. Thank you for your attention and we sincerely hope to get your support.

Yours faithfully,

Yu Lap Fun Peter
Principal
