Dear Parents/Guardians.

Re: SLSxTLGC Photographic activity-GARDEZ

"The best thing about a picture is that it never changes, even when the people in it do."

This activity, GARDEZ, consists of photography related, team-based games and tasks, and with the help of a lecture session broadens one's knowledge on photography and drone photography. At the same time, participants can also be part of the societies of photography enthusiasts to enjoy this aesthetic hobby together.

The theme for this activity is "Gardez-le", which means "keep hold of" in French, in the hope that participants are able to capture unforgettable moments in their lives through photography and retain the skills acquired throughout this activity.

The fee for this activity is HK\$100, which covers the cost of an exclusive photographic T-shirt, DSLR camera and drone try-outs, as well as different photographic souvenirs.
