

ST. LOUIS SCHOOL

Circular No. 161 (17-18)

25th January 2018

Dear S4A, 4B & 4C Parents/Guardians,

Re: Application for Taster Programmes for the Applied Learning Courses (2018 – 2020 Cohort)

Applied Learning (ApL) is an integral part of the New Senior Secondary curriculum. It aims at offering diverse learning programmes for students with interests and aspirations in areas other than those provided by the existing school curriculum. S.4 students who only study two elective subjects are eligible to take **one** ApL course as an elective subject in their S.5 and S.6 studies. Details of each ApL course can be found on the EDB website <http://www.edb.gov.hk/apl>.

To enhance students' understanding of the ApL courses, free Taster Programmes will be provided on 17th March 2018 and 24th March 2018. Students are strongly advised to participate in the Taster Programmes before submitting applications. Details of the Taster Programmes can be found at <http://www.stlouis.edu.hk/2018ApL.pdf>.

Students are required to return the completed reply slip to their class teacher by 7th February 2018 to show their intention and the priority of the courses. Should you have any inquiries, please contact Mr. Lo Chi Wing or Mr. So Ho Yin Steven.

Yours truly,

(Mr. So Ho Yin Steven)
for the Principal
