ST. LOUIS SCHOOL
Circular No. 212a (17-18)

9th March, 2018

Dear Parents/Guardians,

Re: S5 English Language Remedial Class

Having reviewed students' overall performance and English Language mid-year examination results, we highly recommend your child to take part in the captioned class to reinforce some of the skills required for the upcoming challenge – 2019 HKDSE. Note-taking and writing skills in Paper III (Listening) will be the main focus.

Details of the class are given below:

Date:	18th April, 25th April, 2nd May, 9th May (Wednesday)
Time:	3:45 p.m. – 4:45 p.m. (for 18th and 25th April)
	2:45 p.m. – 3:45 p.m. (for 2nd and 9th May)
Teachers involved:	Ms Crystal Chan, Ms Miranda Lui
Venue:	Room C303 (S5C)

It's imperative that your child exerts extra effort on English Language and acquires basic skills required for the examination. Your child's full attendance in this class is required. Please support your child in their striving for better English results by allowing them to attend the class. It would be much appreciated if you could complete and return the reply slip to the English teacher on or before 16th March, 2018 (Friday).

Should you have any enquiries, feel free to contact Mr. Lawrence Ho at 2559 9084.

(Mr. Lawrence Ho)
for the Principal
