

**ST. LOUIS SCHOOL**  
Circular No. 300 (17-18)

10<sup>th</sup> July, 2018

Dear Parents/Guardians of Secondary 5,

**Re: Conditional Promotion to S.6**

Although your son has got substandard academic results this year, the School has decided to conditionally promote him to S.6. It has to be stressed that in order to get satisfactory results in the HKDSE in 2019, your son has to pay extra efforts immediately apart from attending tutorial classes arranged for them in this summer. Please discuss with your son the resources and assistance that he needs in these few months so that he could manage to getting on a better pathway after graduation. Repeating S.5, so that more time could be spared for tackling fundamental learning problems, is of course one of the options your son may consider.

In case you think repeating S.5 a good option, you may apply for it by sending a letter, on which you and your son should both sign, to the School. The application letter should reach the school office **on or before 19<sup>th</sup> July, 2018**. Late application will not be entertained. The applications will be considered case by case and interviews might be arranged before final decisions are made. Students will be informed of the result individually by the end of July.

It is hoped that by accepting the assistance that we offer, your son could get satisfactory results in the HKDSE.

Yours sincerely,

Yu Lap Fun, Peter  
Principal
