

ST. LOUIS SCHOOL

Circular No. 010 (21-22)

1st September, 2021

Dear Parents/Guardians,

Re: Directives about Students Bringing Mobile Phones to School

1. Students are not advised to bring mobile phones to school.
2. If it is deemed necessary that your child should bring his mobile phone to school, please fill out the reply slip. The school will take that into consideration and authorise such usage. Students are not allowed to use their mobile phones within the school premises even if they are allowed to bring their mobile phones to school. Students are required to switch off their mobile phones before entering the school. At all times, mobile phones should remain switched off during school hours.
3. In the event that students are found to have their mobile phones switched on, or used them on school premises, such mobile phones will be confiscated and they will only be returned to the student's parents/guardians upon an interview with a teacher of the School Discipline Team. Those students, who have been in breach of the rules, will be followed up by the Team.
4. It is the responsibility of students to take good care of their mobile phones and the School shall not be liable for any loss and/or damages.
5. For particular school events or functions, students will be allowed to bring and use their mobile phones only at the sole discretion of the School. Further guidelines will be issued to all students for such discretionary arrangements.

Should there be any queries, please feel free to contact Mr. LUI Yiu Sun, Discipline Master, at 2546 0117.
