Dear Parents/Guardians,

## Re: Classics for Juniors 2021: Walking the Amazon

I am writing to seek your support by allowing your child to join an English Theatre Performance "Walking the Amazon" produced by "The Absolutely Fabulous Theatre Connection (AFTEC)". This serves as a valuable opportunity for students to get acquainted with different literacy modes in English learning and watch a live drama performance based on the book. On top of that, a one in-school workshop will be held before the show to familiarize our students with the story plot, theme and characters. Some fun and friendly performing arts activities related to the performance will also be held during the PET lessons.

Details of the drama performance are given below:
