Coronavirus Disease 2019 (COVID-19)
Student Obtaining Positive Result of Rapid Antigen Test

13th July 2022

Dear Parents/Guardians,

Our school was informed that a student obtained positive result in the Rapid Antigen Test (RAT) on 13th July 2022. They last went back to school on 12th July 2022 with his face mask put on and has to be quarantined at home now. The case has been reported to the Centre of Health Protection.

Based on the advice provided by the CHP, our school has strengthened the cleansing and disinfection of the school premises. Please check eClass regularly for the most updated information from the school.

Once again, our school would like to urge parents to put in place appropriate preventive measures to guard against the spread of COVID-19, based on the health advice from the CHP. For details, please refer to <https://www.coronavirus.gov.hk/eng/health-advice.html>.

Our school will keep in close contact with the CHP and closely monitor the health conditions of our staff and students. If parents want to obtain more information regarding COVID-19, please refer to the relevant website: <https://www.coronavirus.gov.hk/eng/index.html> or call the CHP hotline (Phone number: 2125 1111 / 2125 1112, service hours from 8 a.m. to 12 midnight). For enquiries regarding the situation of the school, please call your respective Class Teachers or call Ms Tang Pui Man at 25460117.

May God bless you!

Yours faithfully,

Dr. YICK Ho Kuen
Principal
