Circular No. 087 (22-23)

Face-to-face lesson suspension of S4B

8th October 2022

Dear Parents/Guardians,

It was reported that 6 students in Class 4B have been diagnosed COVID-19 on 8th October 2022. They last attended classes on 6th & 7th October 2022 with their face masks on and were asked to quarantine at home. These cases have been reported to the Centre of Health Protection (CHP).

Having sought advice from CHP, we were informed there is a need to suspend face-to-face classes and activities of S4B from 8th to 14th October 2022 (both days inclusive). During the suspension period, students should not return to school and have to adhere to the timetable to attend lessons online as usual. Attendance will be taken by all subject teachers. For further information, please refer to the detailed guidance in Circular no 002 (22-23).

Our school has and will strengthen(ed) the cleansing and disinfection of the school premises. Please check eClass regularly for the most updated information from the school.

Once again, our school would like to urge parents/ guardians to put in place appropriate preventive measures to guard against the spread of COVID-19, based on the health advice from the CHP. For details, please refer to <https://www.coronavirus.gov.hk/eng/health-advice.html>.

Our school will keep in close contact with the CHP and closely monitor the health conditions of our staff and students. For enquiries regarding the situation of the school, please call Ms CHUI Lok Ting Angel, our Health Education Team Team Head, at 2546 0117.

Stay vigilant and take care!

Yours faithfully,

Dr. YICK Ho Kuen
