

**ST. LOUIS SCHOOL**  
Circular No. 130 (22-23)

10<sup>th</sup> November, 2022

Dear Parents/Guardians,

**Re: Seasonal Influenza Vaccination**

Our school has recently received inquiries about seasonal influenza vaccination. Due to recent resumption of full-day school and the number of special school events to be organized in November, the school is not going to arrange the outreach service for students. If you have plans to arrange such vaccination for your children, you may learn more about the Vaccination Subsidy Scheme and browse the list of doctors enrolled in the scheme at <https://www.chp.gov.hk/en/features/46199.html> .

Should you have any enquiries, do not hesitate to contact Ms. Angel Lok Ting CHUI, the Health Education Team Head at 2546 0117.

Yours faithfully,  
Ms. Angel Lok Ting CHUI  
(for Principal)

各位家長/監護人：

「季節性流感疫苗接種」

本校最近收到關於季節性流感疫苗接種的查詢。由於學校剛於月初全面復課，各項舉措尚待安排，因此學校未能安排參與學校外展計劃。若家長有興趣為貴子弟安排接種，可瀏覽 <https://www.chp.gov.hk/tc/features/46199.html>，以了解疫苗資助計劃詳情及查閱參與計劃的醫生名單。

如有查詢，歡迎致電 2546 0117 與健康教育組主任徐樂庭老師聯絡。
