

ST. LOUIS SCHOOL

Circular No. 184 (22-23)

4th February, 2023

Dear Parents/Guardians,

Re: S4 Chemistry Remedial Course 2022-2023 (2nd stage)

In order to help S4 students keep up with their work and prepare for their examinations, and with a particular view to succeeding in the DSE, remedial lessons will be organized for them. Our target students are those who did not obtain satisfactory S4 mid-year examination result in Chemistry. Each student will participate in 5 remedial lessons in the second school term. For these 5 lessons, your child will be provided with a useful learning package at the value of \$450 (the cost of which will not be borne by the student unless he fails to fulfill the requirements stipulated in this letter). He could watch the well prepared explanatory videos of the learning package at his own pace by using iPads with his own wireless **Bluetooth earphones**. Then they are required to complete the given task and submit it to his subject teacher in each lesson.

We hope that by providing them with such extra learning opportunities, they can establish a stronger foundation for their studies of this subject. As this is a program especially provided for them to attain better results in the Chemistry DSE, we strongly recommend that your child take part in all the lessons. We will also contact you each time if your child is absent from the course without prior notice or acceptable reasons. Your child may also be charged for the learning package if he fails to achieve 80% attendance.

Duration:	7 th March – 15 th April 2023 (Every <i>Tuesday</i>) [7, 14 & 21 March and 18 & 25 April]
Time:	3:35 – 4:55 p.m.
Venue:	Room A201a (Discussion room in school library)
Teacher-in-charge:	Mr. LAI Hon Fai
Fee:	Free of charge (if achieve 80% attendance)

Please return the following reply slip to Mr. LAI on or before Thursday, **9th February, 2023** (Day 2).

(Mr. LI Chi Yip Leo)
for the Principal
