Circular No. 202 (22-23)

10<sup>th</sup> February, 2023

Dear Parents/Guardians,

**Re: S4 Biology Remedial Course 2022-2023**

In order to help students catch up with their work and prepare for examinations, remedial lessons will be organized for S4 students. Our target students are those who have not obtained satisfactory academic results in Biology in the S4 Mid-year examination. Each student will attend 5 remedial lessons in the second school term. We hope that by providing them with extra opportunities, they can establish a stronger foundation in their studies. This is an activity especially tailored for them and we strongly recommend that they attend all the lessons.

Dates	: Feb 22 and March 1, 8, 15 and 22 (Wednesdays)
Time	: 3:45 p.m. – 5:00 p.m.
Venue	: Room B202 (S2C)
Teacher-in-charge	: Mr. Yeung Hon Pan
Tutor	: St. Louis graduate
Fee	: Free-of-charge

Please return the following reply slip to Mr. Yeung Hon Pan on or before 14<sup>th</sup> February, 2023. Thank you for your kind attention.
