

ST. LOUIS SCHOOL
Circular No. 088(23-24)

9th October, 2023

Dear Parents / Guardians,

Re: CUHK Science Academy for Young Talent – Autumn Course 2023

Established by the Faculty of Science, CUHK in 2010, Science Academy for Young Talent is dedicated to nurturing secondary school students who are talented in science by providing different enrichment courses. To promote science education to the secondary school students, the Academy is planning to offer 3 courses in Autumn 2023:

Category I-University Credit Bearing

(Students who complete the course and meet its requirement can opt for credit exemption when they study at CUHK)

Chemistry 化學	SAYT1001 Bondings in Organic Compounds, and Reactivity and Selectivity of Organic Reactions 有機化合物的鍵合 · 與有機反應的活性及選擇性
	Lecturer: Dr. MAK Kin Wah Kendrew
	Date: 18, 25 November 2, 9, 23* December 2023 (15 hours)
	Course Fee: \$3,000
	Target: Students who are promoting to or studying S4 – S6

Category II-Academy Credit Bearing

(Student can accumulate credits which will be regarded as “Other Learning Experiences” when applying for university)

Life Sciences 生命科學	CUSA2013 Great Discoveries in Biomedical Sciences (Senior Class) 生物醫學大發現(高級班)
	Lecturer: Dr. LO Fai Hang
	Date: 11, 18, 25 November, 16* December 2023 (18 Hours)
	Course Fee: \$3,180
	Target: Promoting to or Studying S5-S6

Physics 物理	CUSA1075 Wonderful World of Physics 奇妙的物理世界
	Lecturer: Dr. LIN Lap Ming, Dr. LEUNG Po Kin, Dr. Yu Hang Marco LAI
	Date: 11, 18, 25, November, 2, 9, 16, 20* December 2023 (18 Hours)
	Course Fee: \$3,380
	Target: Promoting to or Studying S2-S3

The courses is open for application from now until **20 October 2023**. Students who complete any of the courses may be invited to join the activities organized by the Faculty of Science, such as seminars and visits. In addition, they may enjoy an **invitation for admission interview by their final year of high school**.

Application Fee

To complete the application, the student has to pay the **application fee** (i.e. **HKD40** for each course). Application fee is neither refundable nor transferable once the application is submitted. Application fee and course fee can be paid by credit card or Cheque.

Application Method

Applicants should log in to SAYT online registration system to fill in the electronic form (<https://cloud.itsc.cuhk.edu.hk/sayt/login.aspx>), upload the required documents, and pay the application fee. Applicants may apply for admission courses according to their grade levels and interests. If you wish to apply two or more courses, you must submit separate applications and avoid taking courses conducted at the same time.

Students who are receiving financial assistance, such as Comprehensive Social Security Assistance (CSSA) Scheme, the School Textbook Assistance (TA) Scheme and the Student Travel Subsidy (STS) Scheme, can apply for fee remission at a rate of 50% to 100% subject to the final approval of the Academy. Our school can also make use of government subsidies to provide financial aid to students, e.g. Diversity Learning Grant provided by EDB. Students who wish to apply for this subsidy should pay attention to further information in a circular to be issued at the end of the school year.

For further information of the courses, please refer to the website of Science Academy for Young Talent (<https://www.sci.cuhk.edu.hk/en-gb/sayt/study/autumn-courses/autumn-courses>). For any enquiry of the courses, please contact Science Academy for Young Talent at 3943 5230.

(Miss NG Kar Wai Vivien)
