

ST. LOUIS SCHOOL
Circular No.097 (23-24)

25th October, 2023

Dear Parents/Guardians,

Re: S5 Biology Remedial Course 2023-2024

In order to help students catch up with their work and prepare for the Mid-Year Examination, remedial lessons will be organized for S5 students. Our target students are those who did not obtain satisfactory academic results in Biology in the S4 Final Examination. Each student will attend 5 remedial lessons in the first school term. We hope that by providing them with extra opportunities, they can establish a stronger foundation in their studies. These sessions are provided especially for them and we strongly recommend that they attend all the lessons.
