

ST. LOUIS SCHOOL
Circular No. 239 (23/24)

26th April, 2024

Dear Parents/Guardians,

Re: Mathematics Remedial Programme (S5)

Please be informed that your child / charge has been selected to attend the Mathematics Remedial Programme (S5), which is to commence on 10th May, 2024.

The objective of this programme is to help participants acquire basic mathematical skills and appropriate mathematical concepts.

A total of FIVE lessons will be conducted on the selected dates from 10th May, 2024 to 29th May, 2024. Each lesson lasts for one hour and fifteen minutes. (In the case of face-to face class being suspended, the programme will be cancelled.)

Date	Time	Level	Venue
May 10, 17, 20, 27, 29 (Fallback: June 7)	2:45 p.m. – 4:00 p.m.	S5	C302

The selection of students is based on their performance in the previous Mid-Year Examination & Term Test and teachers’ recommendations. As your child’s / charge’s performance is found to be below the average, he is strongly advised to participate in the captioned programme.

The programme is especially designed to help your child / charge to catch up on his studies and we believe will be of great help to him. I would therefore like to ask you to render your cooperation in this matter. Kindly indicate whether you desire your child / charge to participate by completing and returning the reply slip to his Mathematics teacher on or before 29th April, 2024.

If you have any enquiries, please contact the teacher-in-charge Mr. TSOI Chun Fung. Thank you very much for your attention.

(Mr. TSOI Chun Fung)
for Principal
