## Re: Visit to the Low-Carbon Energy Education Centre

Our school is organizing a visit to the Low-Carbon Energy Education Centre, aimed at enhancing students' understanding of renewable energy and its significance in today's world. During this visit, students will have the opportunity to engage with interactive exhibits, presentations, and experts in the field, allowing them to gain valuable insights into the importance of sustainable energy practices. The details are as follows:

Kowloon Tong MTR station Exit C
