

ST. LOUIS SCHOOL
Circular No. 030a (24-25)

12th September 2024

Dear Parents/Guardians,

Re: Visit to the Mainland by S5 CSD students

To enhance students' understanding and appreciation of Chinese culture, the Education Bureau requires all S5 students to conduct a visit to the Mainland. Teachers and students can receive a full tour fee subsidy from the Education Bureau, which includes visit activities, meals, accommodation, transportation, and basic group comprehensive travel insurance.

The visit to the Mainland is an essential part of the Citizenship and Social Development curriculum. It actively promotes and guides students to learn and better understand the subject's key foci, deepens students' understanding of national development, broadens their horizons, and promotes students to learn from multiple perspectives. Students are expected to sharpen generic skills such as collaboration, communication, and research, to achieve the learning outcomes of civic courses.

Please be reminded to check the valid date of the travel documents (**valid until at least 31st August, 2025**). If student's travel document has expired or will soon expire, please make an appointment as soon as possible.

As for the exact date and venue of the visit and other details, the school will distribute relevant notices and information to parents and students once confirmed.

Please sign the reply slip and return it to the subject teacher of Citizenship and Social Development on or before **Wednesday, 25th September 2024**. Thank you for your attention.
