Circular No. 171 (24-25)

23rd January, 2025

Dear Parents/Guardians,

Re: S5 Chemistry Remedial Course 2024-2025 (2nd stage)

In order to help S5 students keep up with their work and prepare for their examinations, and with a particular view to succeeding in the DSE, remedial lessons will be organized for them. Our target students are those who did not obtain satisfactory S5 mid-year examination result in Chemistry. Each student will participate in 5 remedial lessons in the second school term. For these 5 lessons, your child will be given a useful learning package cost at \$830. He could watch the well prepared explanatory videos of the learning package at his own pace by using iPads with his own wireless *Bluetooth earphones*. Then they are required to complete the given task and submit it to the online learning and assessment platform for tutor's marking in each lesson and the inspection of his subject teacher after each lesson.

We hope that by providing them with such extra learning opportunities, they can establish a stronger foundation for their studies of this subject. As this is a program especially provided for them to attain better results in the Chemistry DSE under additional resource, we strongly recommend that your child must attend all the lessons. We will also contact you each time if your child is absent from the course without prior notice and acceptable reasons. Your child may also be charged for the learning package if he fails to achieve 80% attendance.

Duration:	March 19 – May 7 (Every <i>Wednesday</i>) [March 19, 26 and Apr 2 & 30 and May 7]
Time:	Winter Time : 3:35 p.m. – 4:55 p.m.
	Summer Time : 2:35 p.m. – 3:55 p.m.
Venue:	Room A201a (Discussion room in school library)
Teacher-in-charge:	Mr. LAI Hon Fai
Fee:	Free of charge(<i>if achieve 80% attendance</i>)

Please return the following reply slip to Mr. Lai on or before Thursday, Day 5, <u>12th February, 2025</u>.
