

**ST. LOUIS SCHOOL**  
Circular No. 234 (24-25)

12<sup>th</sup> March, 2025

Dear Parents/Guardians,

**Re: Primary Dental Co-care Pilot Scheme for Adolescents**

The Department of Health announced on 20 February 2025 that the Primary Dental Co-care Pilot Scheme for Adolescent (PDCC) will be launched on 20 March. By providing Government subsidies with co-payment arrangements, the PDCC incentivizes adolescents to seek dental check-ups at private dental clinics and establish regular oral check-up habits.

The PDCC is targeted for adolescents of age 13 to 17. Please refer to the attached Letter to Parents and Students and the electronic pamphlets (<https://www.communitydental.gov.hk/en/pdcc/public/resources.html>) for the details. You may also visit the PDCC webpage ([https://www.communitydental.gov.hk/en/pdcc/introduction\\_of\\_pdcc.html](https://www.communitydental.gov.hk/en/pdcc/introduction_of_pdcc.html)).

Should you have any enquiries, please contact Mr. HO Wai Leung Lawrence or Ms. CHUI Lok Ting at 25460117.

Yours faithfully,  
Health Education Team
