

## ST. LOUIS SCHOOL

Circular No. 250 (24-25)

1<sup>st</sup> April, 2025

Dear S3 Parents/Guardian,

### **Re: Territory-wide System Assessment (TSA) 2025 – Oral Assessments**

TSA is a low-stake assessment that provides not only objective data on territory-wide students' Basic Competencies for the Government, but also data for schools on their students' overall performance in different learning dimensions so as to provide feedback on learning and teaching. The oral assessments for Chinese Language and English Language at Secondary 3 (S3) in 2024/25 will be conducted on a sampling basis on **30<sup>th</sup> April 2025 (Wednesday)** (with **6<sup>th</sup> May 2025** as the fallback date). The Student Sample Lists will only be given to all schools on the assessment day. Details of the oral assessments are as follows:

Date:	30 <sup>th</sup> April 2025
Time:	8:45 a.m. – 11:30 a.m.
Venue:	St. Louis School

S3 students who are selected will have to leave their classrooms for a period of about 30 minutes to attend the oral assessments. As students who are selected for the assessment need to show their student cards for identification, students must ensure they have their student card with them on the day. Kindly remind your son to attend school punctually and attempt the assessment seriously.

Should you have any enquiries, please contact Mr. TAM Ka Lok Patrick at 2546 0117. Thank you for your attention.

Yours sincerely,

Dr. YICK Ho Kuen  
The Principal
