Dear Parents/Guardians,

Re: Invitation to join the Battle of the Books Reading Competition (English): S.1 – S.3 students

With a view to promoting reading, the school joins the Battle of the Books Reading Competition, an annual inter-school English reading competition. This competition (open only for S.1 – S.3) provides students with an excellent opportunity to be exposed to a variety of contemporary English literature. More information about the competition can be found at the following website: <https://www.hkbattleofthebooks.org/>. We take part in the Modified Secondary Section of the competition. The inter-school competition will take place in May of the academic school year, but your son will be asked to start reading in preparation starting from Term 1 and therefore, in order to make the most of the opportunity to join this competition, your son will be required to attend regular reading and exchange sessions.
