

Dear Parents / Guardians,

Re: HKSMSA – 79th Music Festival Enrollment

To help students improve their musical prowess, we would like to invite your son to take part in the 79th Music Festival organized by the Hong Kong Schools Music and Speech Association. This territory-wide competition provides an ideal platform for students to develop their musical skills, a strong stage presence while receiving constructive feedback from professional adjudicators, as well as learning from fellow competitors from other schools.

To encourage participation, the school subsidizes a portion of the entry fee. For individual and duet events, students will be required to pay only half of the enrolment fee this year, rounded up to the nearest 10 dollars. (e.g. \$200 paid by the student for a competition class of \$395 enrolment fee collected by the HKSMSA)

As students can be enrolled in various classes, please check if the information listed below are correct. To ensure a smooth payment process, please deposit on or before **16th October 2026** the required funds on ePayment on eClass (see total sum marked ^ below), as well as returning the reply slip below. Failure in payment may mean that your son's application for the competitions can be withdrawn.

The details of the competition(s) will be shared by your son's music teacher, with official competition notifications with dates and times of competition to be released on 6th January 2027. Students are expected to prepare for the competition and arrange for their accompanist (if needed) on their own.

For enquiries, please contact the undersigned.

Thank you for your kind attention.
