

ST. LOUIS SCHOOL
Report on the Use of the Promotion of Reading Grant
2024-2025 School Year

Part 1: Evaluation of the Effectiveness

1. Evaluation of achievement of the objectives: (e.g. reading culture of the whole school, students' reading attitude, book borrowing situation and students' engagement in reading activities)

In this year, the school library also spend much on purchasing books in different disciplines, but we didn't spend as much as last year. The highlight this year was that students are sponsored to buy books for the library in Hong Kong Book Fair. Each participant is given around \$300 to buy books for the school library.

Some more movies are to be purchased the next year to make good use of the funding.

2. Evaluation of strategies: (e.g. implementing diversified and motivating activities to promote reading, reading across the curriculum and home school co-operation)

More resources on electronic ones this year. With the establishment of LAC and application of QEF, the library is going to implement a reading scheme with the LAC team.

The existing exhibition will still be run to draw the students' attention to the books in the library. Also, Students are happy to visit the HKBF and help with book purchase..
